LUNCH PROVIDED

JUNE 20, 2025

10:00 AM

Whitefish River First Nation
Community Centre

Anishinaabemowin Revitalization was identified as a top priority across our Robinson Huron Treaty (RHT) territory during the widespread RHT band member engagements, both on and off reserve, regarding the potential use of a portion of the compensation funds (RHT Settlement) for collective community purposes.

We hope that you will be able to join us in welcoming RHT Anishinaabemowin Revitalization Strategy team to our community to share an overview of the Anishinaabemowin Revitalization Strategy community engagement work and most importantly obtain your input into the strategy.
