Anishinaabemowin Revitalization has been identified as a top priority across our Robinson Huron Treaty (RHT) territory. This was highlighted during extensive engagements with RHT band members, both on and off reserve, regarding the potential use of a portion of the compensation funds from the RHT Settlement for community purposes.

We invite you to join us in welcoming the RHT Anishinaabemowin Revitalization Strategy team to our community. They will provide an overview of the community engagement work related to the Anishinaabemowin Revitalization Strategy and, most importantly, seek your input and guidance on the strategy.
