Anishinaabemowin Revitalization has been identified as a top priority across the Robinson Huron Treaty (RHT) territory. This priority emerged through extensive engagement with RHT band members, both on and off reserve, who discussed the potential use of a portion of the RHT Settlement compensation funds for community benefit.

As a valued member of Zhiibaahaasing First Nation, you are invited to join the RHT Anishinaabemowin Revitalization Strategy team for an Anishinaabemowin Community Engagement Session, either in person or via Zoom.

During this session, we will share an overview of the community engagement efforts related to the Anishinaabemowin Revitalization Strategy. Most importantly, your input and guidance on the strategy are welcomed and appreciated.
